

Information Current as of July 31, 2022

The Department of Labor (DOL) has released a [new model Employer CHIP Notice](#) with information current as of **July 31, 2022**. As a reminder, employers with group health plans that cover participants in states that provide premium assistance subsidies through Medicaid or the Children's Health Insurance Program (CHIP) are required to notify their employees annually, regardless of the employer's location.

The DOL's model notice, which employers may use for this disclosure, is updated periodically to reflect changes in the states that offer premium assistance subsidies, as well as the contact information for those states. [Click here](#) for more information.
